Conference Introduction more →

The 44th Chinese Control Conference (CCC 2025) will be held during July 28-30, 2025 in Chongqing, China. The CCC is an annual international conference sponsored by the Technical Committee on Control Theory (TCCT), Chinese Association of Automation (CAA). It aims to bring together the international community of systems and control to discuss the latest findings and advances in control theories and technologies. The CCC 2025 will feature plenary lectures, panel discussions, development forums, preconference workshops, oral presentation sessions and interactive sessions. The papers of CCC in English will be submitted to the IEEE Xplore library.
